The background of the entire page is a photograph of a coastal scene at sunset. On the left, a large, circular stone tower, likely a remnant of a fortification, stands in the water. Two children are playing in the shallow water to the right of the tower. In the distance, a coastline with buildings and a few boats is visible under a sky filled with warm, orange and yellow clouds.

# THE MEDITERRANEAN AWAITS

The Mediterranean holds a special place in our heart as this is our home and one of our favourite places in the entire world. Emerge from charming cobblestone streets to explore a treasure chest of culture, art, history and architecture with no equal on the planet. Explore the *Mare Nostrum's* crystal clear sapphire waters and secluded beaches, many hidden entirely from view. Medieval picturesque villages overlook a sun-drenched sea, while small intimate islands welcome you to discover their millennial secrets. Calling in some of the smallest ports throughout Sicily, Sardinia, Corsica and the Balearic islands; our ships are the only way to get up close and personal with the authentic beauty of this historic region. Nestled among slopes that dive into

the sea you'll find plenty of unique gems, like the villages dotting the Amalfi Coast in Southern Italy, and Cape Drastis on the Greek island of Corfu. Must-see destinations like Monte Carlo host internationally-renowned events such as the Monaco Grand Prix, though the city also features tranquil seaside alleys and places where you can unwind and relax in the setting sun. And there's nothing like enjoying a drink or two at pristine beaches like those of the Cala S'Almunia bay in Mallorca and on the many islands of Spain's Balearic region. The sounds, the colours and the flavours of the Mediterranean are yours to enjoy as you cross this spell-binding region and revel in its blend of cultures, traditions and delicious cuisines. Bienvenus, benvenuti, bienvenidos.

# THE MAGIC OF NORTHERN EUROPE

Welcome to Northern Europe, a melting pot of peoples, histories, architectural styles and cultures. A place where thriving modern capitals are surrounded by vast open landscapes that hold the key to centuries of legends and traditions. Thanks to our small, intimate ships, we'll take you to these close and faraway places for a deeper understanding of the magic behind it all.

From Goðafoss, the majestic "waterfall of the gods" in Iceland, to the imposing Cliffs of Moher in Ireland, you'll be in awe at how nature has lovingly sculpted this part of the world. Deep blue fjords contrast with black beaches of volcanic sand while gargantuan mountains hide pristine lakes and luxurious hot springs. In the extreme north, the lands of the midnight sun will make you see this old

continent in an entirely new way, as you sail along the same coastlines the Vikings did almost a thousand years ago. Visit the singular Hermitage museum on the banks of the Neva river winding its way through St. Petersburg or look up at the behemoth that is London's Big Ben before asking it to take a selfie with you. Once you've taken in all these must-sees you'll be ready to explore some of Northern Europe's lesser-known destinations, including smaller ports featured on our cruises for the very first time. These include Iceland's Sudureyri, a quaint fishing village nestled among green hills and awesome waterfalls, and Melfjord in Norway, right at the tip of one of the world's most breathtaking fjords.

## EXPLORE THE HISTORY OF BEAUTY

There's nothing as glorious as the view of the old town of Porto on the Douro river in Portugal. Except perhaps the view of Mont Saint Michael Bay in Normandy at sunset. Or any of the awesome views of the many picturesque towns and landscapes that dot the northern coasts of France, Spain and Portugal. And, from the wines of Bordeaux to Lisbon's *pastéis de nata*, you'll always have something tasty to enjoy with the view.

# BRITISH ISLES

## LANDS OF THE PAST AND FUTURE

From bustling cities to the quiet cliffs of Ireland's Howth Head, we'll take you on a voyage from one millennium to the next, as traditional houses in Dublin contrast with skyscrapers shimmering in the twilight. You'll be right in the middle of it all with visits to remarkable ports located in the centre of town such as Greenwich or Tower Bridge in London and those in more remote destinations such as St. Kilda at the northern tip of the UK.

All suites have sophisticated furnishings and everything you need for a marvellous stay. And with a staff-to-guest ratio of nearly one-to-one and a butler to each and every suite, our legendary service is but a hand-wave away.

Sail into narrow waterways right into the heart of a busy modern metropolis or dock at a small pier while others are only able to anchor off shore. The possibilities to explore are endless.

You'll find we have a passion for perfection in everything we do and a highly-personalised approach to service. Enjoy exquisite cuisine, spacious lounges and intimate bars, where conversation flows freely and nobody has to reach for the tab, as well as wellness areas simply for relaxing. With journeys that are infinitely customisable, Silversea luxury cruises are the gold standard by which all others are judged.
